

Base Plan

Drawing Title : Oxborough Gazebo (3000) Base Plan For Hardwood Floor

Tolerance +/- 20mm.

Base should be level and even finish with a minimum clearance distance all round of 300mm (12") from any obstructions to a height of 2400mm.

For buildings not surrounded by hard standing we further recommend a surrounding gravel bed of approx. 500mm to prevent "splash back" from rain water on soil.

Consideration should also be given to finished ground level.

Scale :
Drawing should not be scaled

Dimensions :
Metric (mm)
